MEMORANDUM

TO: Ken Dunn  
FROM: Reid J. Newby  
DATE: 3-30-76

Enclosed please find copy of a letter received from Mary Peterson regarding Water District 37-0. Mr. James Peterson has been Watermaster for the past several years, but has apparently not collected any salary from the county. Blaine County has apparently not collected any assessments from waterusers. In talking to Mr. and Mrs. Peterson, I find that they would rather not collect back assessments from either the waterusers or the county; but would rather start from this year. If the law will allow this I would recommend it be done this way.

Dear Sir:

No one came to the watermaster election for district 37-0

I would suggest the proposed budget be adopted and the alternate method of collection be adopted.

James Peterson is willing to serve as watermaster. He could be appointed to serve for 12 months and to be called on only when needed if this is approved.

Mary Peterson  
Sec.
